

Sport Festival!

Our Sport festival is always held in May every year.
But this year, it was held in October because we
had Kumamoto Earthquake.

In our sports festival we have many events.
For example, we have tug of war, a three legged race
and show a performance of Japanese cheer leaders, oendan.
Our events make local people happy.
Why don't you come to our sport festival?

Sports Festival

Our sports festival is held in October last year.
It is one of the most exciting events in our school.
We have many events on that day.

Students join them together.

And we do our best to win in each event.

It is very interesting.

All of the students have to join the opening ceremony, the closing ceremony, Ogawa Ondo, and the cheering battle.

All of the students in our class have to wear hair band of the same color.

I joined 800-meter-dash last year.

It was very hard but I got the first place.

So I was very happy.

It's one of the most exciting events in our school.

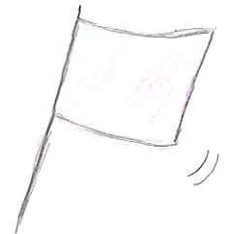

We have a theme in sports festival every year.

It was "結 - yui -" last time.

The cheering team of our school is very cool every year.

All the students took part in the cheering team and it was really cool last year too.

I had a wonderful time!
