Handball Team

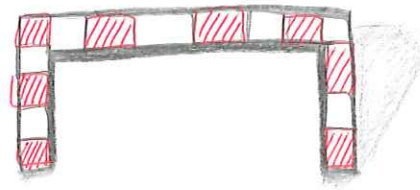

Have you played handball?

At Ogawa Junior High School, many students participate in the club activites afterschool.

Our handball team practices six days a week.

We have been doing very hard in the local tournament.

It is very fun for us to play handball.

Handball makes us happy.

Our handball coach is Ms. Okamura and she shows us how to play it very well.

We play it in the gymnasium or on the playgraund.

Why don't you play handball with us sometime?

Mana, Shion
