

We are Academy

JFA Academy is in Ogawa, Uki.

We live in the JFA Academy as boarding students.

We practice soccer very hard everyday, to realize our dreams.

We went to Hong Kong and Macau in the summer vacation last year.

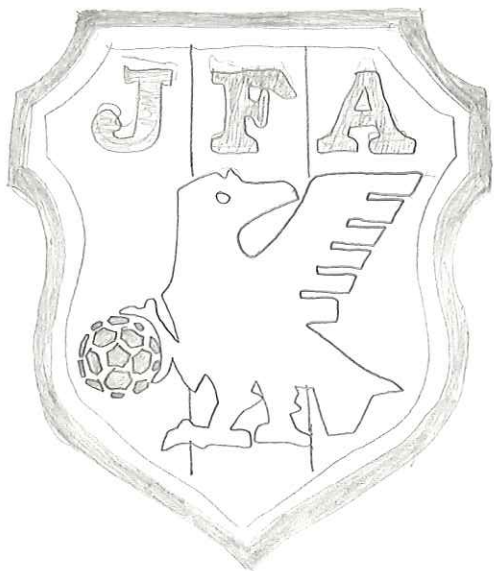

We learned a lot of things there.

For example, communication is important to live in other countries.

We want to make use of this experience in the future.

We will realize our dream.

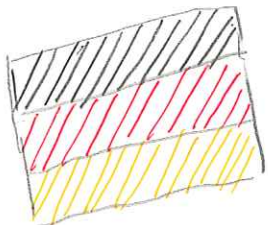

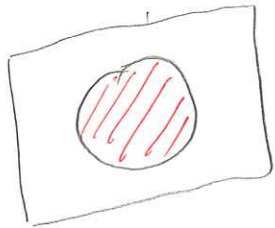

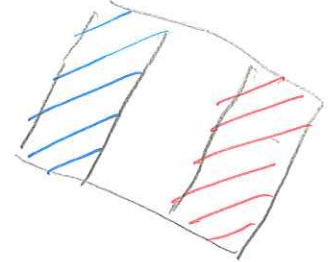

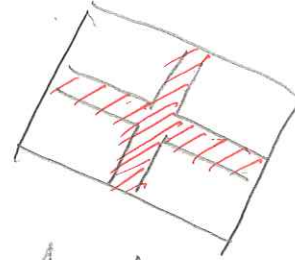

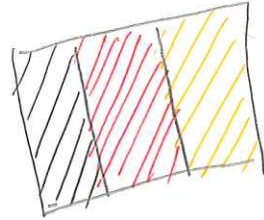

Why don't you play soccer with us?

JFA Academy

Taji and Yusei

JFA Academy is the place to make our dreams come true.

We are from many different prefectures.

We practice soccer every day.

It is very hard.

But we love soccer.

So we can play soccer very hard.

There are fifty people in the Academy.

We spend our time in the Academy for three years with our members.

I think we can learn many things in the Academy.

And we will make our dreams come true.
