

Track and Field Team.

Our track and field team practices five days a week. It has eight members.

We take part in the prefectural competition every summer.

So we practice very hard to win.

Mr. Miyagawa and Mr. Yamaguchi are our coaches.

They are strict but kind.

Our track and field practice is hard but fun.

We welcome beginners.

If you practice hard, you can be a fast runner.

Why don't you run with us?
