VOLLEYBALL

Our volleyball team practices five days a week.
There are eight members in our volleyball team.
Our coaches are Ms. Inatsu and Ms. Hamamoto.
They are strict, but they teach us volleyball well.
Volleyball is very fun to play.
Everyone is nice and kind.
We usually practice volleyball in the gymnasium.
If you are interested, come to the gymnasium
We welcome beginners!
If you practice hard, you can be a starting player.
