

# THE SCHOOL FESTIVAL

We have a school festival in October every year.

We have some events in our school festival.

In the morning, we have speech in English, and a play  
about friendship and so on.

We practice for our school festival very hard  
to entertain everyone.

In the afternoon, we have a chorus contest.

We practice singing to win in the chorus contest.

Many people come and enjoy our school festival.

"Kairi, Tomoya and Yuki."
