

opening ceremony

English Version:

Hello, everyone!

"My name is Justin Hunter O'Shea Cavazos. I am from Kansas in the United States. Some of my interests include baseball, American football, photography, reading manga, and watching anime. Right now I can't speak Japanese but I will continue to study so that I can communicate better. If you ever want to talk to me don't hesitate to do so. I am very happy to be here in Amakusa. I look forward to teaching here and learning many things together with everyone. Let's make lots of great memories."

Thank you!
